AGE CLASSIFICATION

	Junior	Senior
A, B, C & D Division	U13, U14 & U15	U16, U17 & U19
E & F Divisions	U13, U14 & U15	U16 & U19
G, H & I Divisions	U13 & U14	U15 & U19
J Division	U13 & U14	U19

- All ACC carnivals will use the cut-off date **30th June** for age group classification.
- Competitors are permitted to compete in one age group only, for all events.
- A competitor who qualifies to compete in U14, but elects to compete in U15 for his or her FIRST EVENT, must remain in U15 for all other events, including relays. (I.e. Competitors may swim in one age category only.)

TROPHIES

At all carnivals, trophies are awarded in the following 7 categories:

Junior Boys	Senior Boys	Aggregate Boys	Combined Aggregate
Junior Girls	Senior Girls	Aggregate Girls	

Age Champions and All Stars Team

The ACC does not announce age championship winners at the carnivals. Championship winners will be posted on the website after the carnival and will receive a certificate of acknowledgment.

Following the series of carnivals, the ACC will compare all results across all carnival Divisions and select an 'All Stars' team of the best performers in each event. Students selected in the All Stars team will receive a certificate of acknowledgment and an 'All Stars' pin from the ACC.

RESULTS

Carnival results will be available online at www.accsport.asn.au/carnivals/swimming/results/2024.

Post Carnival

The **final** determination of results will take place three days after the completion of the carnival. This stage of the scoring process represents the final outcome and in the event that points scores differ from those announced at the carnival, the schools involved will be notified. Trophies are then to be transferred using minimum process. The final point tallies will also be listed in the 2024 ACC Year Book.

POINTS ALLOCATION	1st	2nd	3rd	4th	5th	6th	7th	8th
Div I	12	11	10	9	8	7	6	5
Divs II & III	8	7	6	5	4	3	2	1
Relays Div I	24	22	20	18	16	14	12	10

EVENT RULES

- ACC swimming carnivals are conducted using Swimming WA officials under FINA rules, except if stated otherwise in the ACC Swimming Charter of Operations.
- **The FINA “one start” rule (SW 4.4) is used as follows.**
 - The Start Rule:** Any swimmer starting before the starting signal has been given, shall be disqualified. If the starting signal sounds before the disqualification is declared, the race shall continue and the swimmer/s shall be disqualified upon completion of the race. If the disqualification is declared before the starting signal, the signal shall not be given; the remaining swimmers shall be called back and the starting procedure commenced again, beginning with the long whistle (the second one for backstroke).
 - Interpretation:** After all swimmers are “stationary” (SW 4.1), any swimmer who moves before the starting signal may be disqualified if such movement is observed and confirmed by both the starter and referee.
 - ACC amendment:** Swimmers disqualified at the start shall still be allowed to swim in the race and shall be disqualified upon completion of the race. This change from FINA rules is to encourage participation and allow school aged competitors the opportunity to still compete in their race.
- **Use of video evidence:** Although school staff/parents/spectators may take video or photographic recordings of their own students, no video recording is to be used as evidence for results or an appeal. This rule applies across all ACC carnivals (swimming, athletics, cross-country, etc). Only in cases where the organising ACC staff deem it appropriate, may authorized event officials video record events or use video recordings for adjudication purposes.
- **C - J Division:** Rules are modified to allow Swimming WA officials the authority to use their discretion and common sense when adjudicating on rule infringements. Disqualifications should only be called if the infringement provides the swimmer with a clear and unfair advantage, or causes disadvantage to another swimmer.
- Competitors must swim in their official school swimming cap and bathers. Competition racing bathers must meet FINA requirements.
- Competitors may swim in only one division of any event.
- In A-F Division carnivals, a competitor may only swim in one individual Freestyle event (either 50 m or 100 m, but not both).
- In G-J Division carnivals, a competitor may swim in both individual Freestyle events; i.e. a student may compete in both the individual 100m Freestyle and the 50m Freestyle.
- In G-J Division carnivals only, the 100m Freestyle and Medley Relay events are Open, therefore swimmers from any age group may compete in these events and still maintain their age group status e.g. a swimmer competing in the U/14 age category for all other events may also compete in the Open100m freestyle and medley relay.
- Swim order for medley relays is as follows: Backstroke, Breaststroke, Butterfly, Freestyle.
- In the event that variation in placing occurs (e.g. malfunction in electronic timing/judging or touch pad not activated), the ratified result placings will be determined by the following method.
 - 1st consideration:** Electronic timing based on the touchpad time.
 - 2nd consideration:** The lane timekeepers based on the slower of the two times.
(Timekeepers have a semi-automatic electronic timing back-up button mechanism.)
 - 3rd consideration:** The Referee’s decision, based upon the manual place judging.
 - Extra consideration:** In the event of a touch pad or back-up button failing to register a time (due to mechanism failure or touch pad not hit hard enough) the competitor will be given an adjusted time relevant to their correct place.

HISTORY OF RESULTS

A History of Results of the ACC annual divisional carnivals from 1943 to 2023 can be viewed on the ACC website. Scanning this QR code will take you there.
