## 8.0 ACC Integrated 'Rapid Fire' Cricket rules

- Team Rapid Fire is a game played in two teams, one batting and one fielding
- **Fielding** teams have 8 players on field at one time. 3 mainstream (if available) and 5 inclusive students
- 2 players from the batting team strike 3 balls off **each of the tees**, one after the other, and then complete runs between two stumps until the fielding team return the balls to their original position on the marker
- Balls can be hit in any direction
- One run is awarded for every run the pair complete

- Cones on the field represent the 'Safety Line' and suggested fielding positions
- The fielding team cannot cross the designated safety line (marked by cones) until all balls have been hit
- Fielding team may catch the ball if it is within reach. A successful catch will result in 5 runs been deducted from the oppositions score.
- Fielders may physically carry the balls back **to the tees**, or throw to teammates.
- Once all balls are returned and placed on tees, the batters turn is complete and runs scored recorded.
- The batting team then sends out the next pair. Once all batters have batted once, the two teams swap over.
- No pair may score less than zero
- The team with most runs scored is declared the winner
- Maximum time for game is 25 minutes
