All matches will consist of 2 x 16 minute halves, with a 5-minute half time/change ends.					
There is 13 minutes change-over time between games					

# ACC Hockey Challenge Procedures & Rules

2025

Associated and Catholic Colleges (ACC) and Hockey WA reserve the right to cancel, change or amend any or all parts of this format leading up to and on the day including playing times and the fixtures. The ACC endeavours to uphold the Associations Motto of 'Sport in the Right Spirit' in all stages of planning and running of this competition.

**EQUIPMENT:** All fields in the Division 1, 2 & 3 will be set up for gameplay.

**Each team is to supply a quality hockey ball – game ball.** Schools are also to supply their own warm up hockey balls. **Mouth guards and shin guards are strongly recommended by the ACC for all players.** **Face masks are also mandatory for short corner defenders.** Schools allowing players to play without mouth guards take full responsibility for any injuries incurred.

**Goal keepers must wear full protection and a helmet at all times.** No Kicking Fullbacks permitted in accordance with Hockey WA guidelines and FIH rules.

## **SQUAD NUMBERS / AGE OF PLAYERS:**

ACC Hockey Challenge teams are "open age" and can be selected from any secondary students in Year 7-12. **Hockey squads up to a maximum of 16 players with 11 on field (5 substitute players).**

**COACH/MANAGER & UMPIRE BRIEFING:** This will occur approximately 20 minutes prior to round 1 in a central location i.e. Perth Hockey Stadium (Grandstand/Café area) and will be coordinated by the ACC Carnival Manager. **Division 3 will be on the veranda WASPS Hockey Clubrooms.**

**UMPIRES:** Accredited hockey umpires will be sourced by the ACC and each school will be invoiced after the carnival for this umpire cost. The umpires in accordance with normal hockey rules and procedures carry out duties of scorer and timer during the games.

**FORMAT:** All fixtures will be 2 x 14 minute halves / 3 minute half time. *9 minute changeover between rounds.* **Division 1 Boys and the Division 3 will be 2 x 16 minute halves / 5 minute half time. 13 minute changeover.**

**TIMING:** Central timing will be used across all fields. All rounds will start on time; coaches are expected to have their teams and players in starting position on field before the starting siren.

**WARM-UP:** Teams should arrive 15 minutes prior and warm-up on their allocated round 1 field.

## **SCORECARDS:**

Scorecards are to be signed by the umpire at the completion of each fixture. It is assumed that scoring discrepancies are settled immediately at the conclusion of the game and that all results handed in to the ACC are final.

**TOILETS:** Toilets and changerooms are available at Perth Hockey Stadium and WASPS HC.

## **DRINKS/FOOD:**

Responsibility of each team. Drink fountains are available at the venue. Should school drink containers require refilling, there are taps available. Students should be advised to bring a packed lunch and eat during the small intervals between rounds or when team has a bye scheduled.

Perth Hockey Stadium cafeteria will be open during the carnival days for purchasing light refreshments and drinks. **Note: Cafe or vendors are not available at WASPS Hockey Clubroom (Div 3).**

**FIRST AID:** St John / Perth Medical Volunteers will be available at all venues (organised by the ACC).

**POST-GAME** Presentations will commence immediately following the Grand Finals. All players, coaches and referees are invited to make their way to the designated point ASAP (Generally, Field 1).

### **INTERCHANGE/SUBSTITUTION**

This must be made through the umpires and should be made at the end of each half or a stoppage i.e. injury. Interchange rules apply to the philosophy of participation and are not to be used for time wasting. Being a One Day Carnival with many games, players being substituted off can return to the field (player can be substituted on/off). **No substitution permitted in the final 3 minutes of each half unless through injury.**

### **UNIFORMS**

For all games, players dress standards must be consistent with, and in line with the usual expectations for hockey and be the official team uniform for that school. All players should wear the same type of shirt, shorts/skirt, and socks. All teams to ensure they have an alternative set of tops/vests in the event of a uniform clash in a fixture. No jewellery can be worn.

### **TEAM STAFFING**

Each team should be supervised by a suitably experienced adult assigned in a coaching or manager role. Schools must understand their "Duty of Care" and ensure the presence of teaching staff at the venue as applicable.

### **EVENT RULES**

Rules are in accordance with local junior Hockey WA and FIH rules unless otherwise stated.

<https://fih.ch/inside-fih/our-official-documents/rules-of-hockey/>

*Start and End-of-game acknowledgements:* Each team captain will call their team to give three cheers to the opposition team and players handshake opposition players.

**POINTS FOR GAMES:** 3 points for a win. 1 point for a draw and 0 points for a loss. In the case of a draw, teams are to immediately move to sudden death penalty strokes (no extra time – see below). There should be adequate time for this within the fixtures. Forfeits should be avoided. Forfeit winning team will earn 3 points and 5-0 score. **Maximum Capped Margin – 5 goals.**

**PENALTIES / NO EXTRA TIME:** If scores are tied at full time (i.e. 0-0 or 1-1) the game immediately moves into penalty strokes. The draw will be the official final result recorded i.e. 1 point each team. However, the penalties may be called upon to help define the two teams should they be tied in the final ladder standings at the end of the preliminary rounds, including both teams having equal goals for and against differential. Each team will take one for one penalties in alternating order. The sudden death penalties will continue until one team misses a goal and winner is defined i.e. it will not be 5 for 5 penalties that takes longer to complete.

### **RESULTS**

Carnival results are available online via the ACC website and on SportsDash (QR code on backpage)

### **LADDER STANDINGS**

Ladder standings are firstly determined by Total Points (i.e. 2 wins = 6 points), then by Goal Differential (goals scored minus goals against – “in game goals”).

If two teams are tied on Total Points & Goal Differential, the result will then be determined by which team won the head-to-head (this may have been via the penalty strokes).

Finally – if 3 teams are tied on the ladder standings in both Total Points & Goal Differential, in game goals scored (goals for) will be weighted as double. The highest scoring offensive team across the carnival will be ranked highest.

The final measure to be used if 3 teams are tied will be the total number of short corners earned within the fixtures (umpires tally).

### **SEMI FINALS & GRAND FINAL REQUIRMENTS**

All Semi Finals and Grand Finals require a defined winner from the game. All finals must have a result and cannot be a draw.

Semi Finals will not play extra time. Drawn Semi Final games move directly into sudden death penalties 1 for 1 until the deadlock is broken and a winning team progresses (the same as regular round fixtures).

Grand Final will have 10 minutes extra time added at the end of the second half (golden goal – if a deciding goal is scored the game is complete). If no score in extra time, the game moves directly into sudden death penalties 1 for 1 until the deadlock is broken.

## **ACC Championship Codes of Conduct**

can be read on the ACC website here.
