- Whereby a player applies a legal tackle, the player with the ball must dispose of it correctly within three seconds or a free kick for "holding the ball" will be awarded.
- If player with the ball had ample time to dispose of the ball prior to being tackled, they will be deemed "holding the ball" also.
- If a player bounces the ball whilst being tackled, they will be deemed "holding the ball."
- In a "wrap around tackle", tackler may wrap arms around the body and or arms of the opponent. Players may also bring their opponent to the ground in the tackle provided it is not via "slinging".
- "Slinging" a player is strictly not permitted. A sling occurs when the actions of the tackler cause the player to be thrown to the ground after or during possession.

## BUMPING / BARGING / CONTACT
