# SOCKTOBER ROUND

for children in poverty and the work of Catholic Mission

---

## WHAT IS SOCKTOBER ROUND?

The **Socketober Round** at the ACC Year 7 Lightning Carnival is played using a **sockball** made from old socks, plastic bags and strips of second-hand clothing. The simple ball reflects how many children around the world play football in urban slums and remote villages, often without access to proper sporting equipment.

Playing the **Socketober Round** puts your school's soccer team in solidarity with children living in poverty throughout the developing world.

It provokes your teams to consider the disadvantages in nutrition, healthcare and educational opportunities of children impacted by global poverty.

It invites your team to become their voice.

*It's a powerful reminder of why soccer is known as **The World Game***

---

## WHAT NEXT?

Start gathering your materials . . . ask you parents / guardians for those lonely single socks, for any old t-shirts and some plastic bags.

Learn how to make your sockball here :

---

*If the **Socketober Round** inspires your team, please contact Francis [director.cm@perthcatholic.org.au](mailto:director.cm@perthcatholic.org.au) to learn how your school can become a **Socketober Leader** !*
