Change Of Rules and Conditions of Play

Any changes to the rules and conditions of play for the Northern Associated School's Interschool Sporting Competition are to be made at properly convened meetings **prior** to the commencement of the forthcoming season.

INVOLVEMENT

- Students are selected from all year groups which include years 7, 8, 9, 10 and 11-12 (seniors).
- Students should only participate in teams for their respective year levels. In no circumstances can a student play in a lower year level team.
- In extenuating circumstances, to avoid a forfeit situation (including finals), schools may allow a student to play in a higher year level team. This should only occur as an extreme measure if no other players are available in that year group. As a courtesy, in instances where students are playing up a year level, the coach and or manager of the opposition team must be informed of this change before the start of play.
- In situations where teams in a sport/year level are graded (i.e. Netball A & B), players should only be selected to play in one grade. If a team is short and a player has to fill in for another grade, then that player must remain in that grade for the entire game. Players should not rotate between grades during a match to help fill teams.
- Coaches should record all participating players on their score card for each match.
- In finals, the students selected to play should have been members of the team during the regular NAS season. It is not in the spirit of the competition for students to be brought into teams only for finals matches (n/a for 2024).
- It is ACC policy that students competing in ACC sport must be under 19 years of age as of 31 December. Students who have turned 19 years of age are not permitted to participate in ACC sport.
- It is ACC policy that student participation is limited to "secondary school students" and that the minimum level for participation is enrolment in Year 7.

Inclusive Sport Involvement

NAS inclusive students have the opportunity to participate within an integrated school team. This is to encourage students with disabilities to compete for their school within a competitive interschool sporting environment. **These competitions will be held alongside** the NAS Summer and Winter Sport Program.

SPORTS

Schools must show a commitment to field teams in all grades.

HOURS OF PLAY

For one day carnivals, round times will generally be between 9.00 am and 3.00 pm.

Start/Finish Match Length Policy

- Schools are expected to arrive by 9.00 a.m. to enable adequate warm up time before the first round. All rounds have one hour of play allowed as per [One Day Carnival](#) format instructions.
- All games MUST adhere to the minimum playing time for that sport to constitute a match (as listed below). Quarter and half time breaks are not to be counted within the playing time.

SPORT	MINIMUM PLAYING TIME
Basketball	A minimum of 10 minutes per half constitutes 'full-time' for a game result.
Indoor Cricket	A minimum of 8 overs is to be faced per side to constitute a match for a result.
Indoor Beach Volleyball	A minimum of the best of 3 sets played to 25 points constitutes 'full-time' for a game result.
AFL/AFLW	A minimum of 15 minutes per half constitutes 'full-time' for a game result.
Soccer	A minimum of 15 minutes per half constitutes 'full-time' for a game result.
Netball	A minimum of 4 x 8 minute quarters constitutes 'full-time' for a game result.
Volleyball	A minimum of 3 x 10 minutes constitutes 'full-time' for a game result.
Badminton	A minimum of 15 minutes per period of play constitutes 'full-time' for a match result, with all three pairs filling this time requirement.
Frisbee	A minimum of 15 minutes per half constitutes 'full-time' for a game result.

GENERAL CONDITIONS OF PARTICIPATION

Dress

For all sports, players dress standards must be in line with the traditional expectations for that sport. Tracksuits are NOT acceptable items to be worn during games. In extreme adverse climatic conditions, the coaches can convene and if agreed, tracksuit tops may be worn, but not bottoms. In addition, only Goalkeepers in hockey and soccer may wear tracksuits or part thereof.

Finals: Players must be in correct uniform or are not allowed to enter the field of play. If necessary, the opposition coach can request that players are removed from the ground until they have the correct uniform.

Staffing

Suitable teaching staff are assigned a coaching or managing task by the Principal in consultation with the Sports Coordinator in such a way that each team is accompanied by a teacher or a responsible adult acting on written authorization from the Principal.

If necessary, qualified parents or past students or senior present students (in the estimate of the Principal and Sports Coordinator) may be authorized by the Principal to coach teams (assuming the presence of an adult manager). Senior present students can coach year 8 and year 9 teams only. Individual schools should be aware of "Duty of Care" issue and ensure the presence of staff at each venue.

Duties of scorer, timer, linesperson, and boundary umpires are carried out by competent reserves or suitable persons nominated by the Coach/Manager. Each school engages all necessary staff and meets its own cost in this regard.

Staff Authority

Staff from both schools engaged in a fixture have the authority to address and/or discipline students from the opposite school.

School Complaints

No school is to submit a complaint against another school's team, staff or student(s) without first addressing the issue with the school's Principal. Sports Coordinators should first try to work out an agreement on disputes and if unsuccessful move to the Principals for clarity. ACC staff are not to be involved in any incident or disagreement unless the two Principals cannot come to an agreement. If no agreement can be achieved between the two Principals, either or both Principals may submit a complaint to the ACC for adjudication.

Team Minimum Numbers

TEAM MINIMUM NUMBERS			
Summer		Winter	
Basketball	4 players	AFL	15 players
Indoor Cricket	6 players	Soccer	7 players
Touch Football	5 players	Netball	5 players
IBV	4 players	Floorball	4 players
AFLW	12 players	Badminton	4 players
Frisbee	4 players	Volleyball	4 players

Umpires/Referees

Where possible, schools will source external umpire or referee services for their relevant competitions. If not possible, schools will need to provide their own umpires or referees.

<i>SPORT</i>	<i>QUANTITY</i>
Basketball	2 referees for all years
Soccer	1 referee
AFL	2 umpires for year 10; 1 umpire for years 7, 8 & 9
AFLW	1 umpire
Netball	2 umpires for all years

Central umpires have been organized for the following sports:

<i>SPORT</i>	<i>QUANTITY</i>
Indoor Beach Volleyball	1 umpire (Ossie Indoor Beach Volleyball Centre)
Indoor Cricket	1 umpire (Bouncers; Ballajura Sports Centre)

Schools should use accredited umpires for NAS sport fixtures. Senior students may only be used in extreme circumstances. Only where two umpires are used for a sport may one be a student from a school. For football and soccer students should not be used at all.

Control

If in the opinion of both coaches, the umpire has a lack of game control, and student safety is at risk or student behaviour inappropriate, then action should be taken. The first course of action is for both coaches to approach each other and agree that there is a problem. The game should then be stopped by the coaches and the players on both teams spoken to. After a restart if the umpire control is still not satisfactory both coaches should again confer and if they both agree the game should be stopped and the coaches may take over the umpiring for the remainder of the match.

Send Off Rule

If a student is sent from the field of play in any NAS sport, he/she is not permitted to return to the field of play for that game. The umpire/referee should indicate the reason for the send off to the team coach and the player concerned when it is convenient. A written report is to be made and copies sent to the Sports Coordinators of each school. The Sports Coordinators should then take appropriate action.

Sin Bin Rule

A five (5) minute send off rule is to be enforced for all minor offences for all sports except basketball.

Points

<i>RESULT</i>	<i>POINTS</i>
Win	4
Loss	1
Draw	2
Forfeit Win	4
Forfeit Loss	0

Teams with equal points on weekly and final competition ladders, will be separated in the following manner:

<i>SPORT</i>	<i>RESULT</i>
Basketball	Goals for and against (goal difference)
Indoor Cricket	Runs for and against (run difference)
Indoor Beach Volleyball	Sets for and against (set difference), points for and against (points diff)
AFL/AFLW	Points for and against (point difference) and Percentage (F/A x 100)
Soccer	Goals for and against (goal difference)
Netball	Goals for and against (goal difference)
Badminton	Sets then games for and against (set or games difference)
Frisbee	Points for and against (goal difference)
Volleyball	Points for and against (point difference)

One Day Carnivals

Should two or more teams achieve the same total point score at the end of a carnival, the finishing position will be determined by:

1. Points For and Against.
2. Head-to-head game result.
3. Total points (For).

Protective Equipment

It is essential that protective equipment is always worn and that the equipment is maintained at optimal levels.

Reporting of Results

Game results are reported using the Jaro on-line results system through the ACC web site. The **carnival manager at each venue** enters all results in Jaro **on the day of the carnival**. **The carnival manager for each venue is listed on the fixtures.**

Once all results are entered the scorer must check that results are displaying correctly in the fixtures and on the ladder via the ACC website or the Jaro App. Schools can correct errors at any stage. If there are any issues with the results entry process, schools are to notify the ACC immediately.

Once results are entered, **all schools** must confirm results within 48 hours by ticking the “verified” box in Jaro. Any discrepancies must be resolved by both teams and results can be corrected in Jaro at any time.

It is suggested that the Jaro system be promoted to coaches, students and parents and that the ladders be used to motivate individuals, teams and coaches/managers throughout the season.

NB: Results entered are considered final once confirmed and verified on-line. Both teams’ coaches/managers and captains must settle scoring discrepancies before scorecards are signed.

Weather Policy

Hot Weather

- Sports Coordinators **are to monitor the weather leading up to carnival days**. If the weather conditions are extreme (high temp. & high humidity), schools consult and decide prior to **the day**. The ACC is to be made aware of this decision. If possible, indoor sports should go ahead.
- Team coaches: Duty of care to students is of paramount importance and individual coaches/managers always have the power to cancel an individual match if they believe that student health and safety is at risk. Where possible they should consult with the **opposition** school sports coordinator.
- The provision of water is the responsibility of the individual players and the team manager, not the home school.

- Where possible the following guidelines should be followed when matches are played under hot/humid conditions:
 - Use venues that are indoors or shaded. Outside hard courts should not be used due to increased radiant heat.
 - Normal sun protection measures (hats/sunscreen) should be strictly followed.
 - Reduce match length or period length.
 - Increase player rotation through the bench.
 - Provide frequent rest/drink breaks.
 - Ensure that rest breaks are in shaded areas.
 - Ensure students drink water before, during and after the match.
 - Use common sense in hot/humid conditions and remember that student welfare always comes first.

Winter Weather

Winter fixtures should only be cancelled if the weather is severe (lightning/hail) and poses a risk to student well being. Rain itself is not severe and should not be a cause for cancellation. In extremely cold conditions, the coaches may convene and, if agreed, tracksuit tops may be worn, but not bottoms. In the case of severe weather, sports coordinators will make a final decision **before** the day of the **carnival** as to whether the games are to be cancelled. Inside fixtures will still be played.

Current weather forecasts can be obtained at <http://www.bom.gov.au/wa/?ref=hdr>

Cancelled Fixtures

It is in the spirit of the NAS competition that schools cancelling matches due to bad weather should not be penalized on the ladder. In situations where some games are cancelled at one venue and played at other venues the policy is:

- When **carnivals are cancelled** due to weather, only those affected by weather should be abandoned. **Any indoor carnivals should proceed and points will count.**
- If **a carnival is** cancelled, all NAS schools are to be notified. Schools entering results should select 'status' in the Jaro fixture and enter "cancelled".
- In some cases of extreme weather events there may be an advance weather warning advisory issued to schools by external authorities such as the Bureau of Meteorology, Catholic Education Office, or Department of Education. In these extreme cases schools may be advised to cancel outside activities or to close. Schools would therefore be compelled to cancel sporting activities and it may not be possible for them to follow the usual NAS weather policy as outlined above. In these cases, games will be considered as cancellations and results processed as per item above. Schools affected should advise the other NAS schools if this situation arises.

Abandoned Games

Should a game be abandoned for reasons other than inclement weather, the match result will depend on whether the cause was 'avoidable' or 'unavoidable'.

- Melees (avoidable): No result and game will be cancelled. No points to both teams.
- Severe Injury (unavoidable): Leading team at the time wins if the minimum time allowed of 20 minutes has transpired. If the minimum time has not been reached, the result will be a draw. No match scores will be entered into Jaro, only ladder points for a 'draw' will result.
- Dangerous weather events (unavoidable): Same as for severe injury (above).

NB: This charter clause should not cover standard weather warnings issued by the Bureau of Meteorology and is only to be enacted if there is a clear directive from an external authority to either close schools or cease outside activity.

Determination Of Match Results

When poor weather is present and disrupts the fixtures, full-time is required for a result. This is in line with the agreed reduction on time factor.

<i>SPORT</i>	<i>RESULTS</i>
Basketball	A minimum of 10 minutes per half constitutes 'full-time' for a game result.
Indoor Cricket	A minimum of 8 overs is to be faced per side to constitute a match for a result.
AFL/AFLW	A minimum of 15 minutes per half constitutes 'full-time' for a game result.
Indoor Beach Volleyball	A minimum of 3 x 10 minutes constitutes 'full-time' for a game result.
Volleyball	A minimum of 3 x 10 minutes constitutes 'full-time' for a game result.
Soccer	A minimum of 15 minutes per half constitutes 'full-time' for a game result.
Netball	A minimum of 4 x 8 minutes quarters constitutes 'full-time' for a game result.
Badminton	A minimum of 15 minutes per period of play constitutes 'full-time' for a match result.
Frisbee	A minimum of 15 minutes per half constitutes 'full-time' for a game result.

First Aid

St John Ambulance officers will attend all NAS sport home games that are located on school grounds. NAS staff must be available for contact in case SJA require communication on the day before each fixture. The ACC provides the SJA facilitators with NAS staff contact mobile numbers prior to **each carnival day**.

In the event of serious injuries, a staff member from the school must be responsible for the welfare of that student, seeing that appropriate care is taken.

It is highly recommended that players wear mouthguards in all contact sports. Prevention of injury is emphasized. Each school engaged in fixtures must have access to their own first aid kits. Appropriate cold therapy (ice/cold packs) should be readily available at all venues.

All schools should have a communication system (mobile phones/radios) in place in the event of an emergency.

FINALS

One Day Carnivals

Winners of one day carnivals will be determined by the final ladder placings on the day. All coaches are expected to stay at venues for presentations. **At the end of the carnival, the carnival manager will present the winning team/s with a sports pennant for each player. Pennants will be distributed to schools prior to carnival days.**

Should two or more teams achieve the same total point score at the end of a carnival, the finishing position will be determined by:

- 1. Points For and Against.**
- 2. Head-to-head game result.**
- 3. Total points (For).**

Final Team Placings and Trophies

Final team placings are determined by the results from the **one day carnivals**. At the conclusion of each year, NAS schools will be presented with a premiership plaque recognizing all winning teams in that year. Premierships are awarded for winning teams in each grade. There is also a NAS perpetual shield presented to the overall winning NAS school for each year.

ACC Championship

The ACC Championship is a knockout/elimination based tournament. The two top placed NAS teams in Year 7-9 basketball and Senior basketball/netball/soccer grades will progress to the ACC Championship competition.

Preliminary Rounds

ACC schools are initially broken into ACC Sub Association or wildcard pools, or one-day carnivals for the preliminary stages of the competition. NAS schools are included in the preliminary rounds as sub-association pools.

Elimination Rounds

Information for teams reaching the elimination stage will be issued ASAP after the conclusion of the preliminary rounds. Games in the elimination round will be arranged by mutual agreement between opposing schools. There are two dates allocated for the elimination round and schools must complete the game by the end of the second week of the elimination round. Wherever possible matches should always be played on the set day and time. The ACC reserves the right to create crossover conference semifinals as applicable and if warranted within a sport.

Scheduled dates for ACC Championship elimination rounds, semi-finals and grand finals are available on the ACC website at <https://www.accsport.asn.au/interschool-sport/acc-championships>

FORFEITS

Early communication is essential to alleviate problems arising from forthcoming forfeits. A team causing the forfeit will receive 0 points, whilst the opposition receives 4 points for that fixture.

To assist with the separation of teams with equal points on weekly and final competition ladders, the team winning a forfeit, will be awarded a [predetermined score](#) for that particular sport. The team losing will be awarded the reverse of the predetermined score.

SPORT	PROPOSED FORFEIT SCORES
AFL/AFLW	80 points
Indoor Cricket	80 points
Basketball	40 points
Indoor Beach Volleyball	80 points
Frisbee	8 points
Soccer	8 goals
Badminton	80 points

UNEVEN CONTESTS (MERCY RULE)

The “Mercy Rule” should be considered more a philosophy than a rule. The aim of the recommendation is that if any game is competitively uneven, the coaches should modify or adapt the game to make it a positive playing experience. This change to the game should be instigated by the coaches and not the referees. Any changes to the match should be made in a subtle way so as not to embarrass or mock the losing school. Some suggestions for modifications include:

- Winning team taking off better players and playing reserves.
- Reduce playing numbers for both teams if opposition is short.
- Winning team offering to have some players play for the opposition.
- Winning team changing team positions such as swapping attackers with defenders.
- Winning team to instruct players to pass the ball more often before taking a shot.
- Winning team reducing the defensive pressure on the opposition.
- Winning team offering to mix players between teams.

At the point when the maximum margin occurs (see table below), coaches concur and modify the game. The result at that point will be recorded and points will be awarded to the winning school, e.g., If a score of 10 – 2 is reached in soccer, that score is recorded as the official result and coaches are to consult and adjust match conditions. Any changes to the

score after this point are not recorded. Sports Coordinators should also change score cards post-match if the coaches have not listed the maximum allowable score as the result. Scores greater than the maximum allowable score should not be entered into Jaro.

The “Mercy Rule” scoring is only to be implemented for the sports listed below. Other sports such as volleyball and badminton, whilst not using the maximum allowable scores, should still follow the philosophy of the Mercy Rule and if a match is grossly one-sided make game modifications as outlined above.

NB: If a team is low on players but within the minimum range, the teacher/coach of the opposition team can use discretion when matching team numbers. Depending on the sport, the team and the situation, teachers are not obligated to match team numbers.

SPORT	PROPOSED MAXIMUM MARGIN
AFL/AFLW	80 points
Indoor Cricket	80 points
Basketball	40 points
Indoor Beach Volleyball	80 points
Frisbee	8 points
Soccer	8 goals
Badminton	80 points

RULES

1. THE GAME

Indoor Beach Volleyball (IBV) is a game played by two teams on a sand covered volleyball court surrounded by netting, where the ball is played rebound off the nets, with NO outs, therefore the ball is live at all times.

The ball may be hit with any part of the body above the waist (no intentional head butting), but each side is limited to three consecutive hits, no player is allowed to make two consecutive contacts.

Teams can score a point off any rally whether serving or receiving.

2. BALL AND NET ABUSE

Any kicking of the ball may result in a deduction of two points at the umpire's discretion. Players unnecessarily abusing the nets may be sent off.

3. SIDE AND TOP NETS

All nets can be used in general play, except when serving the ball, or contact with the top net when it is returned over the centre net to the oppositions side of the Court, this is deemed a foul. Teams can hit their own top net but the ball cannot land over the centre net on their opponent's side after hitting the top net. i.e. a team may hit the top net as long as it comes down on their own side of the net.

4. GENERAL PLAY

- Contact with the net should not be considered a fault, if the player who hits the net is not attempting to play the ball. This should encourage continuation of the rallies by not penalising accidental touching of the net. If a player holds onto the net consciously or otherwise – a player warning is given. Any subsequent touches by that player will result in a loss of possession by that team, or a point advantage to the opposing team if they are serving.
- The ball cannot have contact with any nets when being served. The ball cannot hit the ceiling net as it passes over the net during a rally.
- All nets can be used in general play, except when serving the ball, or contact with the top net when it is returned over the centre net to the oppositions side of the Court, this is deemed a foul.
- A block at the centre net is not included as part of the three hits.
- The blocking player is entitled to play at the ball again on the consecutive shot.
- Two hands must be used to be called a block.
- Any player may not reach over the net when the ball is in play.
- If the umpire deems a player has reached over the net during play, the player will be fouled.
- Serve: All general rules apply to the serve except that players may serve directly from the hand (i.e., the ball does not have to come off the hand into the air to be hit).

5. FOULS

- The ball touches the ground
- Team plays the ball more than three times in succession
- The ball touches a player below the waist
- A player touches the ball twice consecutively (except on a block)
- A player touches the centre net when attempting to play the ball.
- The ball touches the top net (except when setting to your own player)
- A player blocks or spikes the ball back over the net off the serve
- The ball does not pass over the net on the serve
- The umpire calls a carry
- A player interferes with an opponent's player
- A player intimidates an opponent or abuses another player
- The serve is made from outside the serving area
- A player kicks the ball
- A player attacking or defending reaches over the net
- A player abuses the umpire

6. POINTS AND SERVICE

- If the serving team wins a rally, it scores a point and continues to serve.
- If the receiving team wins a rally, it scores a point and it must serve next.
- Each server can only serve five (5) times in succession before the serving team is required to rotate one position to continue serving with a new player. (Team retains the serve but changes the server).
- Teams change ends at the end of each set.

In addition, a sin bin rule: 5 minutes for minor offences. Refer 11.4.3.

The team listed first on the fixture is to provide the match ball.

SUBSTITUTES

As stated above.

SCORING AND SCORECARDS

1. The set playing periods completed at the call of time shall constitute the match. The final match result will be determined by the total points won.
2. Points & Service: If the serving team wins a rally, it scores a point and continues to serve; if the receiving team wins a rally, it scores a point and must serve next.
3. The team that wins the total number of points wins the match.
4. Scorecards are to be signed by the umpires and captains of each team at the conclusion of the fixture. It is assumed that scoring discrepancies are settled immediately at the conclusion of the fixture. Umpires are to coordinate scorecards and ensure they concur at each break. **Results are to be entered in Jaro on the day by the carnival manager.** Results reported to the ACC office are considered final.

Ultimate Frisbee

TEAMS

Two teams of five players (5) plus substitutes.

Maximum team size is ten (10) players.

Minimum team size is 4 players.

DRESS

Players are to be dressed in school sports uniform.

DURATION OF PLAY

Games are to consist of two (2) x 20-minute halves, with a 5-minute changeover at half time.

RULES

Ultimate is a fast, free flowing game that combines elements of netball, soccer, gridiron and touch rugby. The basic idea of the game is very simple. The aim is for the team with the Frisbee to pass it up the field without dropping it and catch it in an end zone, which scores a point. The other team tries to intercept the disc or knock it down. The sport is non-contact and teams will be boys and girls only; NOT mixed gender. The other important aspect of Ultimate is that there are **NO REFEREES**. The players are trusted to make all decisions by themselves. Schools are to ensure a competent teacher/coach monitors the game/students.

FIELD

Ultimate is usually played on an approximately half-width football field, with two teams of five players (plus substitutes) lining up against each other. However, any size field can be used depending on space available, and a good game can be had with as few as four players a side. Cones are generally used to mark the corners of the zones and the sidelines. The diagram below displays the size field NWAAS will use for their games with 5 per team. This is minimum size. The maximum size allowed is 50m with 2 x 5m end zones.

Quick Rules

- There is no running with the frisbee. The frisbee can only be moved up the field by passing it. When a player catches the disc they must establish a "pivot" foot before throwing, a little like basketball.
- The person with the frisbee has 10 seconds to throw. A defensive team member marks them and counts out loud, "stalling...one...two...three..."
- No physical contact is allowed between players. Contact results in a foul. In practice, small amounts of accidental contact are usually tolerated.

- A “turnover” occurs when the frisbee hits the ground, goes out of bounds, is dropped or intercepted. Unlike touch football, if the frisbee is knocked down, the team that last **held** the frisbee loses it, regardless of who knocks it down. The defensive team takes possession of the disc at that point and becomes the offensive team.
- **Unlimited substitutions** are allowed between points, although none during points.
- 2m minimum pass distance.
- 20m maximum pass distance.
- 2m spacing on defence
- If a player drops the disc or causes a turnover in their defensive end zone a touchdown/point will be awarded and play will restart.

Fouls

Players call their own fouls when rule violations or contact occurs - there are no referees. A player disagreeing with a foul call can usually “contest” (dispute) the call, in which case the play is redone and the disc returned to the thrower. Players endeavour to be fair in their calls, so calls are rarely contested. Teachers will be present to help supervise the game.

SCORING

To start a point, the defending team “pulls” (throws) the disc from their end zone to the offensive team, who stand in the opposite end-zone. The object of the game is for a team to connect passes down the field until the disc is caught in their opponents’ end zone, scoring one point. Teams change ends at the end of each point.

Results reported are considered final - scoring discrepancies must be settled by both team's coaches/managers and captains before scorecards are signed. **Results are to be entered in Jaro on the day by the carnival manager.**

FORFEITS

Should any team forfeit a match full points for a win (4 points) and 10 points to nil (10 - 0) shall be credited to the opposing team. Ten points shall be debited against the team forfeiting. Teams forfeiting receive 0 points.

RULES (QUALIFYING FIXTURES)

The central umpire/s has/have the authority to send players off the ground for whatever reason deemed necessary. If a player has been sent off, **he is not to return to the field** of play for the duration of the game. An interchange player **may not** replace him. Bad language, argument and undue rough play are of particular concern.

The umpire should inform the coach for the reason of the sendoff at the next formal break in play. The umpire is to make a written report on the incident and supply a copy to both Sports Coordinators who will take appropriate action.

WORKING WITH CHILDREN LEGISLATION

From 1 January 2006 the State Government introduced legislation requiring certain people working with children in WA to undergo a "Working with Children Check" (WWC). The WWC is compulsory under government legislation and ACC schools have to comply with this legislation. In 2008 the legislation will affect people working with children aged between 13-17 years. Persons deemed to be working with children are any volunteers, employees or contractors (over 18 years of age) who in their usual duties are likely to have contact with children. Contact includes any form of physical contact, oral communication, and electronic communication.

People may also be exempt from the legislation if they are a:

- volunteer under 18 years of age
- volunteer who is a parent of a child at an ACC school
- volunteer (over 18 years of age) that has worked with children on no more than five calendar days in a year.

For the purposes of these guidelines, persons deemed to be volunteers are those that are engaged in child-related work for, but are not employed by, the school. The term volunteer is not defined in the legislation. Volunteers that are being "reimbursed" for out of pocket expenses such as travel/uniform are still regarded as volunteers and not employees. However, volunteers that receive payments as a "reward" and not a "reimbursement" may be considered as employees and not volunteers. Schools will have to make their own "common sense" decision when determining the status of persons as volunteers or employees. In cases where a volunteer has received a very minimal payment then the school may consider them as a volunteer. In most cases an employee is someone that has received a wage/payment and has signed a contract of employment.

Schools involved in sub-association sport are required to comply with the legislation. Schools must ensure that all coaches, officials and bus drivers that will have contact with children at sporting events (whether they are paid or volunteers) have undergone a working with children check and hold a valid WWC card number (excluding those covered under exemptions above). To comply with the legislation you will have to keep records to ensure that people working at your sporting events have their WWC ID in order.

WWC records can be recorded in a simple format using the following example:

POSITION	NAME	VOLUNTEER/PAID	EXEMPT? – WHY	WWC CARD No.
Sports Trainer	John Brown	Paid	No	123456
Basketball ref	Sue Brown	Volunteer	Yes – parent of David Brown	Not required
Bus Driver	Rob Jones	Paid	No	123455

CODES OF BEHAVIOUR

The Codes of Behaviour have been developed to assist everyone involved in ACC sport to promote fair play and appropriate behaviour. The codes outline appropriate behaviour for players, coaches, teachers, officials, administrators and spectators. *(ACC Codes of Behaviour have been adopted from the “Aussie Sport – Codes of Behaviour”, produced by the Australian Sports Commission.)*

Players Code of Behaviour

- Respect the rights, dignity and worth of all participants regardless of their gender, age, ability, cultural background or religion.
- Play by the rules
- Never argue with an official. If you disagree, have your captain, coach or manager approach the official during a break or after the competition.
- Control your temper. Verbal abuse of officials and sledging other players, deliberately distracting or provoking an opponent are not acceptable or permitted behaviours in any sport.
- Work equally hard for yourself and/or your team. Your team’s performance will benefit, so will you.
- Be a good sport. Applaud all good plays whether your team or the opposition makes them.
- Treat all participants in your sport, as you like to be treated. Do not bully or take unfair advantage of another competitor.
- Cooperate with your coach, teammates and opponents. Without them there would be no competition.
- Participate for your own enjoyment and benefit, not just to please parents and coaches.

Coaches Code of Behaviour

- Display control, respect and professionalism to all involved with the sport. This includes opponents, coaches, officials, administrators, the media, parents and spectators. Encourage your players to do the same.

- Obtain appropriate qualifications and keep up to date with the latest coaching practices and the principles of growth and development of young people.
- Any physical contact with a young person should be appropriate to the situation and necessary for the player’s skill development.
