

## **APPENDIX NO 18.11 PHOTO FINISH COMPUTER OPERATOR AND PHOTO FINISH ASSISTANTS**

Detail regarding these positions will be published before the commencement of the carnivals as they are still in the process of being finalised by Athletics WA.

“Athletics WA” provide the computer operator. The Assistant must be computer literate and competent.

The Assistant will need to read the image from the photo indicating the places and times of each competitor. These results are then sent to the trackside recorder’s (in computer room, there is a printer in the room). The printer and **Photo Finish** system will be set up by Athletics WA. The assistant also helps in keeping a recording of placings in each event and ensuring the event number matches the event on the track.
